1.4.21
a Lesson in the University of The New Covenant
Theodore Cottingham, January 15, 2006 2:30am.
www.unc.bz

1. Thou hast come to the glory of the Lord.
Thou wilt wear the glory of the Lord.
The glory of the Lord shall be seen in,
And about, and around His holy temple;
And the word of the Lord will spread like fire,
And cover the face of many waters;
And the glow of it will be red and white and yellow;
And blue will protrude out of it in dominance of regalia of love;
And who can know the power of light in My color;
And who is beryl; My living stones alive and radiating Me.

2. See what I have said. Edit not; be not even tempted; even upon pressures great, of councils of thought-wise. I love you.

3. I bring you into a new place, a wide place, a place of expanse, a place promised; chosen by My chosen; love and mercy protruding, radiating, circling, yea encasing; and who knows My electrons and what they are called and how they look and what their pattern; and who can destroy electrons of Me? No man, ray, machine, or cell.

4. I give you Me. I give you Me into a new place, a new spanse/expanse; wide and broad and narrow, not; and who knows the day/voice/white love of My appearing?
Who can see My language/love?
Who can fault the faultless and walk before without stain?
Who knows My love? Who knows My head; where it is and how it is lifted, **how I am lifted into the place of My temple?**

5. See what I have said.

6. Glorify My Son.
I glorify you.
I glorify you in My Son.
My Son is glorified in you.
I am glorified in you.
I glorify you.

7. I love you and who else matters?

8. Who is the Son? The one and only and is there another? No one answers.

9. Can anyone hear the word of My call/plea this day?
I love you. I give you Me.

10. Thou art coming into a new place, and the word of My mouth will flow like rain in a dry season, not, but yea to a parched land that will flourish and bring flora/crops and seed of only Me.

11. See what I have said. Edit nothing.

12. Let My word move mountains and trees and rocks and hills and be thrown into the sea; that which is not-Me; yea, My word moving mountains; watch Me; construction by voice coming; I promise.

13. You have seen the see-able and now you see the obtainable and you obtain the real; and Mine eyes are lifted up, and yea the son of man is brought low, without the Son of man; and who can value a contrite heart, or even define it; value it above glory?

14. Yea what have I asked, stated in asking, and answered in asking?

15. I give you Me.
Golden opportunity, not, yea My kingdom all.
Shall I look for another or are you My heir?
Yea I have answered the question with you many times as you have with our kisses of betrayal not; beauty, surrender, tenderness transcendent that you now show eternally to all those wanting to wear Me and see My glory and walk in places wide and narrow not; and expanse be across My heavens without shadow, with no variableness of turning; priests in the order of Melchizedek. I love you all.

16. Thou art coming into a needy place, where you fire the pots of empty bellies; yea cooking, bringing nourishment to those with expanded bellies; living on nothingness; false humility, arrogance and inverted thrones living with. See what I have said.

17. Who shall walk with Me and hold My hand? Who wants to?

18. Who will look Me in the eye and say thank you? I love you.

19. Who will stroke My hair and dance with Me in front of thousands; with tears upon cheeks; consciously unconscious; slain?

20. Who can rise in the word of light? Who knows what I mean?

21. Who careth for My soul/My brethren/My wounds; My bruised heel, not; but yea that which I do now in crushing the head of not-Me with the word of My meek/contrite/teachable; meek ones receiving from Me in each other, the way I designed; the word of truth opening the word of truth in My veins, flowing Me. I love you.

22. *Who can come into honor and sustain meekness;* meekness be, meekness remain, meekness reside in, and fly in the wings of meekness? Who cares to?

23. Should I give you Me with the air of arrogance? Not possible. I love you.

24. I bring you into a wide place; a narrow place, not;
a new place; one you are not afraid of.
You are ready, willing and obedient.

25. Intercession reigns for who?
And who will do what; being intercession in the life of an intercessor?
And who will reign with love and let love speak intercession;
Be a life of intercession and intercede for the lost sheep of the house of Israel?

26. Who will come unto Me this day and give Me their guardianship, not; but yea flower and flourish and grow and glow into My bride?

27. Who will receive My words of Isaiah and value them above gold; yea mercy extending to the homeless, the hapless and who can know the power of one? Who cares to?
Who will mourn with Me? Who will celebrate?

28. Why do you like money?
Can I not give you more than gold with the word of your mouth; Mine in yours; Mine coming forth in yours; Mine and yours being the same?

29. Who can see the power of one book everlasting; the truth of My heart alone?

30. Who can see Me in fullness and receive the blood of the lamb, be the blood of the lamb, and take your blood to My brethren?

31. My kingdom for a crown, not; My kingdom before you, and in you, and about you, and around you, and encircling you; and who can see the power of electrical impulse of My heart; yea beating rapaciously; enraptured with Me as I look into your eyes.

32. I love you; and who is My skin; or do I have any? What is My color, and is not all color Mine?

33. Who can see the word of My appearing and enjoin Me?
I love you.
I give My life that is in you.
What else do you want?

34. Now arise and shine and go forth in joy and laughter into this new place that I have called you/provided; fixated not on rigidity systems of man, principles of machine; but yea the relativity only of the dynamics of My voice, in the tender inflections of My touch, in the healing of My wings.

35. I give you Me.
I give you grace.

I give you power/sustenance/strength/vision, of only Me.
My mind, untainted; My mind-vision;
Guidance systems of only Me; radar incomprehensible-almost.
You wear Me well.
I love you Zion; reframed not, yea formed in My womb; My oneness: one.
Thank you.
Amen.

36. This WeekWorks comes to an end, not, but has just begun.

37. See what I have said and continue and let not the fire go out/dim; but now fan into flame all I have given you in the hearts of men and angels; the kingdom of My beloved arise in, bringing many.

38. **The door is Me and you know My pattern.** You know Me, My voice, My word. You have Me, My protection, My guidance; and yea thou art a horde not making; but a harvest reaping; and I give you Me in simplicity; and all things are yours/Mine; Father's heart in delight: we dance more, please. Thank you for tonight, in front of the one I have chosen. For now go forth and dance with Me before multitudes, the same; with My love radiating/permeating hearts of stone, becoming hearts of My flesh. I love you.

39. Gamesmanship of many; what is that?
You know whereof I speak and what I mean and My caution to you in asking.
Play not their games.
Speak My word, be My word; you are.
I love you.
Thank you.

40. Eternity beholds you; and you, My Friend, we walk arm in arm, in this new place. Thou/we are one. Behold the One, and One now many, in this new place; that WeekWorks' message is now proclaimed.
I love you.

Have I answered your request?
Do you see/feel My love?
Has My heart touched yours tonight?
I love you.

41. *Thou art not alone and never will be again. I promise.I give you Me.My kingdom is yours*.
If I be lifted up, I will what?
Thank you.
Thank you.

42. I see you. I see Me.
Good night.

43. Isaiah comes and talks with you soon. Will you read his book?

44. Prepare to receive the angelic host of heaven without limit; without refrain; no restrain.

45. I trust you.
I give you Me.
Have your way in My kingdom.
I love you.
I give you Me.
I have nothing else to give.
I give you all.
Thank you for wanting all of Me.
Thank you for loving Me tenderly,
And valuing My words above gold;
Above love-thought;
Above all else.
Smile.
Thank you.

46. I teach you new things in this season.
I bring you many friends.
I connect you in relationships mighty to bring forth the word of the Lord in thousands speaking My name purely, with pure light.
Thank you.
Thank you.

Me. I thank you, Ted; lover of one.

47. My school enlarges to capacity, not; for there is no limit to My capacity. I have teachers/students, who faculty/students/staff are; who know not one function from the other; flowing in the oil of My love; yea, teaching/learning/submitting/leading in the voice of many waters; becoming/spreading; and yea My wings are on who? My beloved.

48. Many come from the east, the west, the north, the south; and who knows directions other? From whence cometh the host of heaven to proclaim My freedom, My heart; and teach in schools that come through My school; that now arise in glory, in edification/exhortation of only Me; in dealing with issues never before connected with My heart in constrained-theology; but yea in the reality of one/all; all things are Mine; and the kingdom of heaven comes forth in glorious glory in My gloriables who now come through My school, lift My head; angelic hosts being and nowing; and who can force one? No one; only by surrender entered, diligence pursued, tenacity required; and who will receive blood of only Me/My all.

49. **Wherefore come now and see the time, the season and the day of your harvest. Leaders arise of meekness; contrite hearts receiving My all. Watch Me.** My University enlarges the largesse of Me/My heart/My frame/My head, in real time; real time/kingdom time. Watch Me.

50. Alas, not; enjoy every moment.
Alas for many; but yea I rock the/your world.
Enjoy the/My ride.
We fly at noon, not, but so quickly in; ever joyful; My sorrowed-no-more.
Man of the cloth, not; but yea Me in the flesh;
My appearing real and empirical in thy kingdom of the past;
My kingdom'd now one of one.
We are one and holy is our name. I love you.
Laughter of one, with the world submitted to one, becoming one, in the name of My Lord, not; yea Father's heart.
I love you, Father/Father's all.

My joy complete.
Amen.

All who will.
Thank you.
Thank you.
Thank you.
